

## KELLY LOSES IN PRINTING FIGHT

Court Refuses to Grant Injunction Against Awarding of the Contract.

STOCKHOLDERS IN ORGAN  
MANAGER PRODUCES LIST OF SUBSCRIPTIONS AT HEARING.

The suit of D. E. Kelly, manager of the Evening Telegram to restrain the awarding to the Inter-Mountain Republican of the contract for publishing delinquent sales notices, did not last long before Judge Morse in the district court yesterday. Mr. Kelly, whose bid was higher than that of the Republican, sought to restrain the awarding of the contract to the latter paper on the ground that the county commissioners and County Clerk J. T. Eldredge, Jr., are stockholders in the Republican, and are thus debarred by law from awarding a contract in which they are financially interested.

Clerk Eldredge was the first witness called at the hearing. He testified that he is not a stockholder in the Republican. A. E. Blunck, manager of the Republican, was next called. He produced the stockbook of the Republican, which showed that none of the commissioners were stockholders. The book showed that Mr. Eldredge had subscribed for ten shares of the stock. Later Mr. Eldredge was recalled and testified that although he had subscribed for the shares, he had never taken them, and did not own them.

**List of Stockholders.**  
Mr. Blunck's books showed the stockholders in the Republican and the amount of shares they own to be as follows:  
Fred Snoot, 500 shares; E. H. Callister, 1,000; C. E. Looze, 500; George Sutherland, 100; W. H. Jones, 10; J. U. Eldredge, Jr., 10; George A. Smith, 10; E. D. R. Thompson, 20; A. E. Blunck, 1,000; Joseph H. Jones, 50; George B. Squires, 10; C. Sharp, 10; Caleb Tanner, 10; J. C. Cutler, Jr., 10; J. C. Cutler, 10; H. E. Booth, 10; F. W. Price, 10; C. F. Emery, 10; J. A. Edwards, 10; William Hansen, 10; and A. C. Nelson, 10. J. Whitaker, T. W. Jones, C. D. Whittemore, Thomas Hull, Claude Sutton, S. H. Love, W. T. Edwards, A. W. Carlson, John Peterson, J. T. Hammond, W. J. Lynch and J. W. Smith, each 5 shares.

**Commissioners Deny Ownership.**  
All three county commissioners went on the stand and denied that they owned any stock in the Republican. Judge Morse then denied Mr. Kelly's application for a restraining order.

Later in the day Judge Eldredge turned over to the Republican the contract for the advertising, and it will be printed in that paper.

Mother in Pennsylvania Says He Resided in Salt Lake at One Time.

If Jack Richards is in Salt Lake his aged mother in Lansford, Pa., would like to hear from him. This is the substance of a message received yesterday by Postmaster Arthur L. Thompson. The information came in the form of a letter written by Mrs. George Aiken, a friend of the Richards family. She writes that Richards left home some years ago and that the last she heard of him he was in Salt Lake. She has not heard from her son for so long that she fears something serious may have happened to him.

Attorney General Gives Opinion to State Land Board.

According to an opinion just handed by Attorney General M. A. Breeden to the state board of land commissioners, a larger deposit than 25 cents per acre cannot be required on lands to be selected. He also advises that in case the board should become satisfied after investigation that any particular applicant for the selection of state lands was acting in bad faith and that the interests of the state might become jeopardized by such selection, the board has the authority to refuse such selection or to require the applicant to give security for the faithful carrying out of his contract.

## INSANE RESCUED IN NICHO OF TIME

Heroic Work of Matron of Detention Hospital, Mrs. Kane, and Policeman McLean.

San Francisco, April 27.—Many stories of heroism lie buried in the ruins, but some tales that make the heart tingle are slowly filtering through official sources. This is the story of the noble work performed by Mrs. Kane, matron of the detention hospital, and Policeman John McLean, who was detailed there the night of the great earthquake. The insane patients at the ruined city hall were kept in locked cells, from which only the keys of the stewards could free them. At the hour of dawn on that fatal Wednesday morning the structure where the courts were housed was the first to fall. The weight of the western wing crashed down upon the detention hospital, which was on the ground floor.

**Steward Was Killed.**  
Steward Manville was so badly injured by the falling ruins that he died two days later. Mrs. Kane and Policeman McLean, however, managed to rush outside to momentary safety. Both of them are well advanced in years, but the nurse is a woman of intense nervous energy and the officer a man of giant frame. As soon as they reached the open court they were greeted by the terrified shrieks of the insane that pierced the smoking ruins around. They refused to leave their helpless charges, and both went back into the chaotic debris.

**Rescued the Patients.**  
Fortunately only six patients had been held by the insanity commissioners. These were all pinned in their cells, more closely imprisoned than when they were under lock and key. McLean and Mrs. Kane went to work at once. Where they could not drag the prisoners through the gaping holes that great timbers had made in the walls they smashed in the doors with stones. After all had been rescued none of the lunatics proved to be injured, though frightened into imbecility by their terrible experience. In charge of their rescuers and captors the little band was marched to the Presidio, where the unfortunates were temporarily turned over to the federal authorities. The excitement of the common calamity both Mrs. Kane and McLean forgot that they had done anything remarkable. The nurse went into the general hospital, where she remained fifty-four hours on duty without rest, and the policeman reported for duty as usual.

## FRANCE FEARS ANOTHER COUP

Houses of Royalists and Imperialists Searched for Evidence of Alleged Plot.

Paris, April 27.—The police adopted decisive measures this morning to apprehend the element which is fomenting disorder and capture the sources of its supply. Early in the day a search was made of the headquarters of the Confederation of Labor and all the walls they smashed in the doors with stones. After all had been rescued none of the lunatics proved to be injured, though frightened into imbecility by their terrible experience. In charge of their rescuers and captors the little band was marched to the Presidio, where the unfortunates were temporarily turned over to the federal authorities. The excitement of the common calamity both Mrs. Kane and McLean forgot that they had done anything remarkable. The nurse went into the general hospital, where she remained fifty-four hours on duty without rest, and the policeman reported for duty as usual.

**Houses of Royalists Searched.**  
Among the houses searched were those of Count De La Ragie, M. Baccinier, M. Le Moor, and the shop of a tailor named Mara, all suspected of being most active in the royalist propaganda; Count Durand, De Bauregard, the imperialist leader; Xavier Feuillant, a former officer of the imperial guard; Jacques Pio, president of the Liberal league; and M. Fromentin, a wealthy anarchist leader. The police also searched the apartments of many imperialists, monarchists, anarchists and agitators of lesser importance.

**GUARANTEED LIQUOR CURE**  
No Detention From Work or Loss of Time—Desire to Drink Destroyed by Orrine.

When one of our most reliable druggists makes a positive statement that he will guarantee to cure the liquor habit if Orrine is used in accordance with directions or refund the money. It shows his great faith in the treatment. It is in this way that Orrine is sold by the leading druggists in nearly every city and town. In every box is a registered guarantee which entitles you to a refund of your money if Orrine fails to effect a cure.

No other cure for the liquor habit has been sold in this way, and the remarkable guarantee shows how much superior Orrine is to the ordinary sanitarium or home treatment. There is no detention from work or loss of time when Orrine is used. It destroys the desire for liquor, so that the drink will not be missed, and also cures the deranged digestion, weakened nerves and other ill effects of excessive drinking, restoring the patient to perfect health.

Orrine is prepared in two forms, No. 1, the secret remedy which can be used in food or drink without the knowledge of the patient; No. 2 for those who take the remedy of their own free will. Both forms are absolutely guaranteed to cure or they will cost nothing. Treatise on how to cure drunkenness free on request. Orrine Co., Washington, D. C. The price of either form is \$1 a box, making the cost of the complete cure less than one-tenth what is usually charged at sanitariums, with a guarantee that the expense will be nothing unless a cure is gained. Orrine is for sale by the Smith Drug Co., Salt Lake City, Utah.

## DR. COOK'S SCIENTIFIC, CERTAIN AND COMPLETE CURE FOR

Weak, Nervous, Restless at Night and Weak, Aching Back, Diseases of the Kidneys, Prostate, Dispendent, Lack of Energy, Ambition and Strength, Poor Memory, Hollowed Eyes.

An endless number of men have one or more of the above symptoms and drag from day to day in despair of a prosperous, happy future, and well they may, for if neglected their health is sure to be wrecked by a complete loss of physical, mental and sexual power.

My method completely and permanently revives manhood after cure-all remedies and quackcure specialists fail to even benefit.

My scientific, systematic course of treatment for weak, nervous, brokendown youths and men, who have, through folly, dissipation and excesses, unfitted themselves for work and the enjoyment of life is a system that has been tested many times over and proves entirely satisfactory in every case. It is totally different from the many sickening pills and tablets, and the stimulating, stomach-ruining drugs given by would-be specialists. My specific treatment for all the symptoms indicating Falling Manhood is harmless though so effective as to remove them immediately. It is constitutional; therefore, by purifying and enriching the blood, strengthening the nervous system, nourishing the tissues, and restoring the vitality, it becomes strong and healthy with all signs of trouble forever gone. The treatment is to the human system what the sap is to the tree—it buds energy, ambition and confidence that lead into a prime, healthy, vigorous feeling of new life.

I treat and cure all such pelvic diseases as PILES, FISTULA, RUPTURE, VARIICOCELE, HYDROCELE, BLOOD POISON, SKIN DISEASES, SORES, ULCERS, NERVOUS DEBILITY, and diseases of the KIDNEYS, BLADDER AND PROSTATE. My method of treating these diseases has proven so successful that I guarantee a permanent cure in every case accepted, and contract by a written instrument to produce permanent and satisfactory results or refund money.

**IMPORTANT.—I will cure you for less money than you can be treated for by any other specialist in Salt Lake. You may have to come to me sooner or later in order to be properly cured; why not before you have lost your money in doctoring with cheap, unskilled specialists?**

**CURE OR NO CHARGE.—ABSOLUTELY NO CHARGE UNLESS SATISFACTION IS GIVEN.** Every patient is given a written guarantee to refund every dollar paid for services if they do not receive a complete, life-long cure and entire satisfaction, and I have made a deposit of \$500.00 in the bank to secure any contract that is not fulfilled.

**CONSULTATION FREE, CONFIDENTIAL AND INVITED.** A personal, thorough and searching examination is required, though if inconvenient to call, write me a full description of your trouble. Office hours, 9 a. m. to 8 p. m., except Sundays, from 9 to 12:30. Address or call
